EARLY YEARS & CHILDCARE  
WORKSHOP  
February 2010

- WHO ARE THE NETWORKS ?
- WHAT DO WE DO ?
- HOW CAN YOU ENGAGE WITH US?

## WHO ARE WE ?

- Partnership of social services employers from public, private and voluntary sectors
- colleges, universities, SVQ centres,  
We support the learning & development of:
- Learners undertaking vocational/professional qualifications in social services
- All social services employees
- Those who commission social services

## Work with us

- Developing the Network – more representation = more influence
- Website 1 million downloads, new online learning portal
- Communicate with +800 employers and training partners
- 24 workshops/events – 'free' CPD
- Strength of existing partnerships/network groups to support key areas of work has grown
- Stronger national Network identity and national network influence being forged, improved cross Network collaboration
- Heightened profile of Networks, as focus for collaborative workforce development

## How can I become involved ?

- Sign up to the Network- keep in touch
- Come along to our workshops
- Join our early years forum
- Tell us what we can support you with
- Develop your 'Network'
